From: Marsha I. Grigsby, City Manager 
Date: January 23, 2014
Initiated By: Michelle Crandall, Assistant City Manager
**Re: Resolution 08-14 - Franklin County Board of Elections
Memorandums of Understanding**

Background

Attached is legislation authorizing two memorandums of understanding with the Franklin County Board of Elections for public elections administered in City Hall and the Dublin Community Recreation Center during the calendar year 2014. The same resolution has been adopted in past years. The proposed memorandums of understanding are intended to clarify the City's role in providing space for elections.

Key areas include:

- the City shall furnish heat, light, electric power, and sufficient space to host the elections;
- access for Franklin County Board of Elections to the buildings for proper conduct of the elections and access to voting equipment;
- designation of City personnel responsible for opening and closing the facilities on election day(s);
- requires that the City notify the Board of Elections not later than 60 days prior to any election if the facilities are vacated by the owner.

Furthermore, the resolution reaffirms the City of Dublin's commitment to providing accessibility to the polls for voters with disabilities by maintaining compliance with the Americans with Disabilities Act.

Staff's review of the memorandums indicates no concerns with the City's ability to meet any of the obligations to ensure safe and accessible polling locations for Dublin residents.

Recommendation

Staff recommends adoption of Resolution 08-14 at the January 27, 2014 Council meeting.

Re: Public Facilities used as Voting Locations

To Whom It May Concern:

On behalf of the Franklin County Board of Elections, I personally want to thank you and all of the physical facility managers, staff, and other administrators who have assisted the Board in holding our elections by providing space to be used on Election Day as a voting location. Due to your assistance, voters in your immediate neighborhood are able to exercise their right to vote.

The year 2014 is going to be a busy year for elections administration in Franklin County with many high-profile contests on the ballot on May 6 and November 4. To help us accomplish our statutory duty to provide voting locations for Election Day, we trust that we will be able to contract with you this year for space in your facility to be used as a voting location.

Enclosed please find our contract for use of your facility. In addition, you will find a form requesting logistical information for your facility; this form will allow us to communicate key information such as the voting machine delivery schedule, availability of accessible parking and voting spaces, equipment requirements such as tables and chairs, and power availability. Most importantly, this information allows for accurate contact information for your local personnel who may need to be contacted in the event of an emergency before, during, or after Election Day.

We continue to build on our commitment to full accessibility to our voting locations for voters with disability – not only because the Board of Elections has a statutory responsibility to do so, but also because we want to ensure that all voters can take full advantage of their right to vote in an independent and uncompromised manner. As a facility, you may not be required to be compliant with federal and state accessibility requirements; but we are. To accomplish our responsibility, we have created an incentive in our contract for you to handle our most ubiquitous challenge: compliant accessible parking spaces. Please have any changes made by February 15 so that we can verify compliance. If you choose to waive this incentive, we will install temporary signage and additional equipment to mitigate situations that would cause an accessibility violation for us on Election Day.

As your guest our goal is to reduce the inconvenience of our presence in your facility as much as possible. To this end, we seek to enhance the relationship between your facility management and our operation through meaningful two-way communication. Prior to each election, we will send you two postcards reminding you to make the facility available for Election Day and our planned dates for voting equipment delivery. We will also send a notice with the date we will retrieve the voting equipment.

Remember, to complete both copies of the Contract and the Logistical Information Sheet. Maintain the yellow copy for your records, and return the white copy in the postage paid envelope. In the coming weeks, one of our Regional Logistics Coordinators will be communicating with you to establish personal contact, review

any outstanding details or changes, and resolve any concerns that may arise. If you have any questions about this form or our planned use of your facility, please do not delay in contacting us by calling 525-5213.

If you are not the correct individual to whom this important information should be sent, please forward these documents to the proper person.
Thank you again for ensuring a safe, accessible and convenient place to vote for your community.

Sincerely,

A handwritten signature in black ink, reading "William A. Anthony Jr." in a cursive script.

HANDICAP ACCESSIBLE PARKING SPACE DESIGN

Recommended language for the placard is "UP TO \$500 FINE" for handicap accessible parking spaces serving buildings located within the City of Columbus and "UP TO \$250 FINE" for all others.

Note that painting the international symbol for accessibility on the ground alone does not sufficiently designate a parking space as handicap accessible.
